

Spreading Sunshine Valentine Project

Make cards for Spreading Sunshine to mail to families in the Spreading Sunshine Community or to deliver to families who will spend the holiday at the hospital.

You will need: Construction paper, scissors, markers, and any “extra” things you would like to add (glitter, stickers, etc.)

Helpful Tips:

- You are making generic cards, not for a specific child. (no name needed)
- They do not need to be in an envelope.
- **Do not** write phrases like “Get Well Soon” or “Feel Better Soon” - many of our Sunshine Kids are battling chronic illnesses and will never be fully cured.
- **Do** write happy encouragements, like “Happy Valentine’s Day!” or “You are special!” or “Spreading Sunshine is praying for you!”
- Be creative and artistic!
- We need boy valentines and girl valentines of all ages.

Mail or drop off cards to the Spreading Sunshine HQs by **February 6, 2020**
