

Valentine's Project

Help us spread love to families whose children have critical or chronic illnesses.

Spreading Sunshine

Valentine Project for a specific family

Make Valentine cards to send to a Spreading Sunshine family in our "[Year of Sunshine](#)" program.

You will need:

- Construction paper, scissors, markers, and any "extra" things you would like to add (glitter, stickers, etc.)
- Family information - will be provided to you by a Regional Care Coordinator via email.
- A nice card (can be store bought or handmade) for the parents.
- \$20 Starbucks gift card (optional)

Please Note:

- We want ***each child in the family*** to receive ***five, unique, individualized*** cards with their names on them.
- ***Do not*** write phrases like "Get Well Soon" or "Feel Better Soon" - many of our Sunshine Kids are battling chronic illnesses and will never be fully cured.
- ***Do*** write happy encouragements, like "Happy Valentine's Day!" or "You are special!" or "Spreading Sunshine is praying for you!"
- Be creative and artistic!
- Valentine Cards need to be received by **Thursday, February 4.**

Spreading Sunshine
825 Timbercreek Drive, Suite 102
Cordova, TN 38018
Office hours, Tuesday – Thursday, 9:00 am – 4:00 pm
