

# daily dose of SUNSHINE

**Project Overview:** We will be sending daily cards for a month to 27 moms in our sunshine community. The purpose is to encourage and pour out God's love in a tangible way.

- 1 Gather** supplies to write or make 27 cards (please include an envelope and leave it UNSEALED).
- 2 Create** an encouraging message of hope. You can write the same message to all of the moms. You can share truths from God's word. You can pray for them. You can draw a picture or write a poem.
- 3 Mail/drop off** cards/postage in a single large envelope. (due by July 26, 2022) Spreading Sunshine 825 Timber Creek Drive, Suite 102 Cordova, TN 38018

# Tips:

- Think - happy, cheery, or bright.
- Include an envelope and leave cards unsealed.
- What NOT to say: it will be okay, everything happens for a reason, I know how you feel, I have a friend/aunt/coworker who went through this, or time heals all wounds.
- What TO say: you are loved, write out scripture verse or prayer, or write a personalized message.
- Personalize the note to the moms (we will provide you a list).
- Sign your name - (see example below)

With love,
